Getting Started

Before installing the TrashCoin app, make sure your device meets these requirements.

Phone Requirement

- Android 5.0 or higher / iOS 12.0 or higher ✓
- Stable internet connection ✓
- At least 100MB of free storage ✓

Install Trashcoin Mobile App

Steps to Download & Install

- 1** Open the Google Play Store (Android) or App Store (iOS). ✓
- 2** Search for TrashCoin. ✓
- 3** Tap Download or Install. ✓
- 4** Tap Download or Install. ✓
- 5** Open the app to begin the registration process. ✓

Account Registration

Steps to Register

Open the TrashCoin app.

Tap Sign Up.

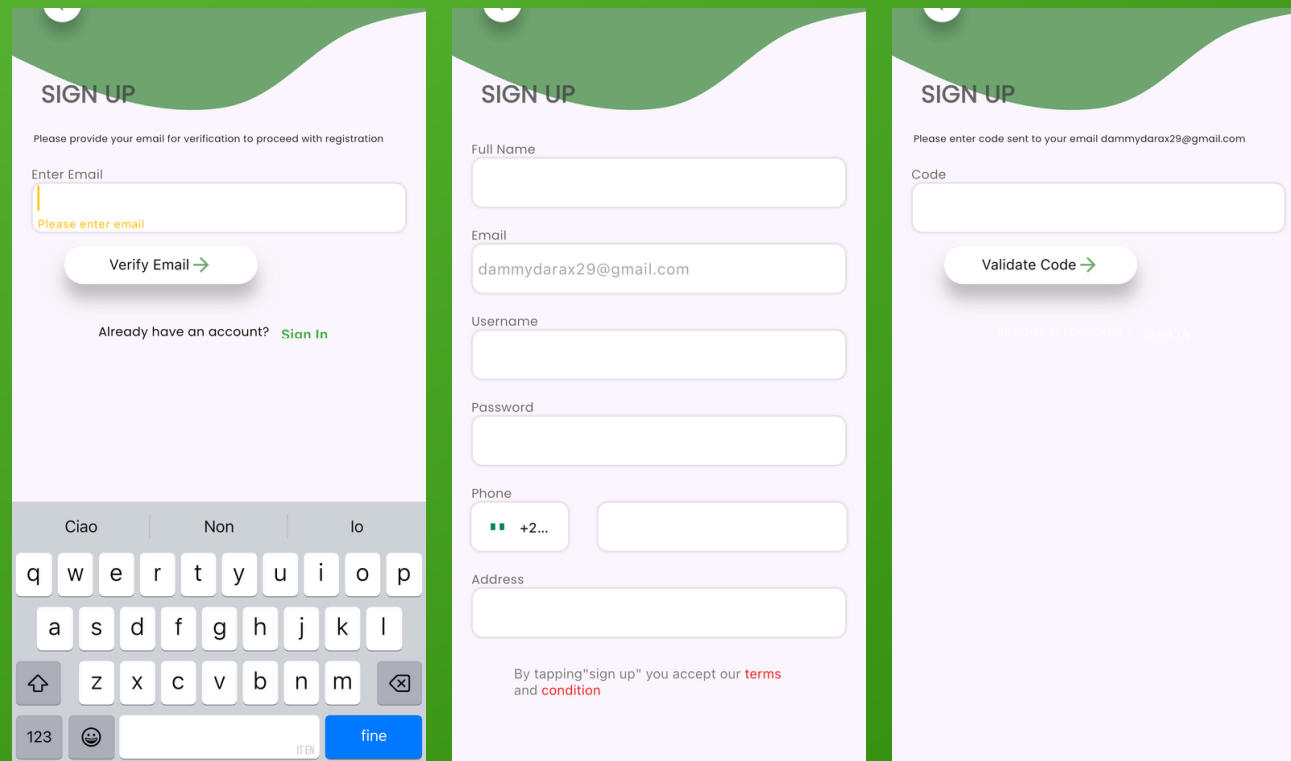

Enter your email address to receive a One-Time Password (OTP).

Check your email and enter the OTP to verify your account.

Complete your profile with the following details:

- Full Name
- Username
- Phone Number
- Password
- Location

Tap Register to complete your account setup.

The image displays three sequential mobile app screens for account registration. The first screen, titled 'SIGN UP', prompts the user to 'Enter Email' and provides a 'Verify Email' button. The second screen, also titled 'SIGN UP', shows fields for 'Full Name', 'Email' (pre-filled with 'dammydarax29@gmail.com'), 'Username', 'Password', 'Phone' (with a country code dropdown), and 'Address'. It includes a 'Validate Code' button and a disclaimer: 'By tapping "sign up" you accept our terms and condition'. The third screen, titled 'SIGN UP', prompts the user to 'Please enter code sent to your email dammydarax29@gmail.com' and features a 'Validate Code' button.

Logging In

Steps to Login

Open the TrashCoin app.

Tap Sign Up.

Enter your email address to receive a One-Time Password (OTP).

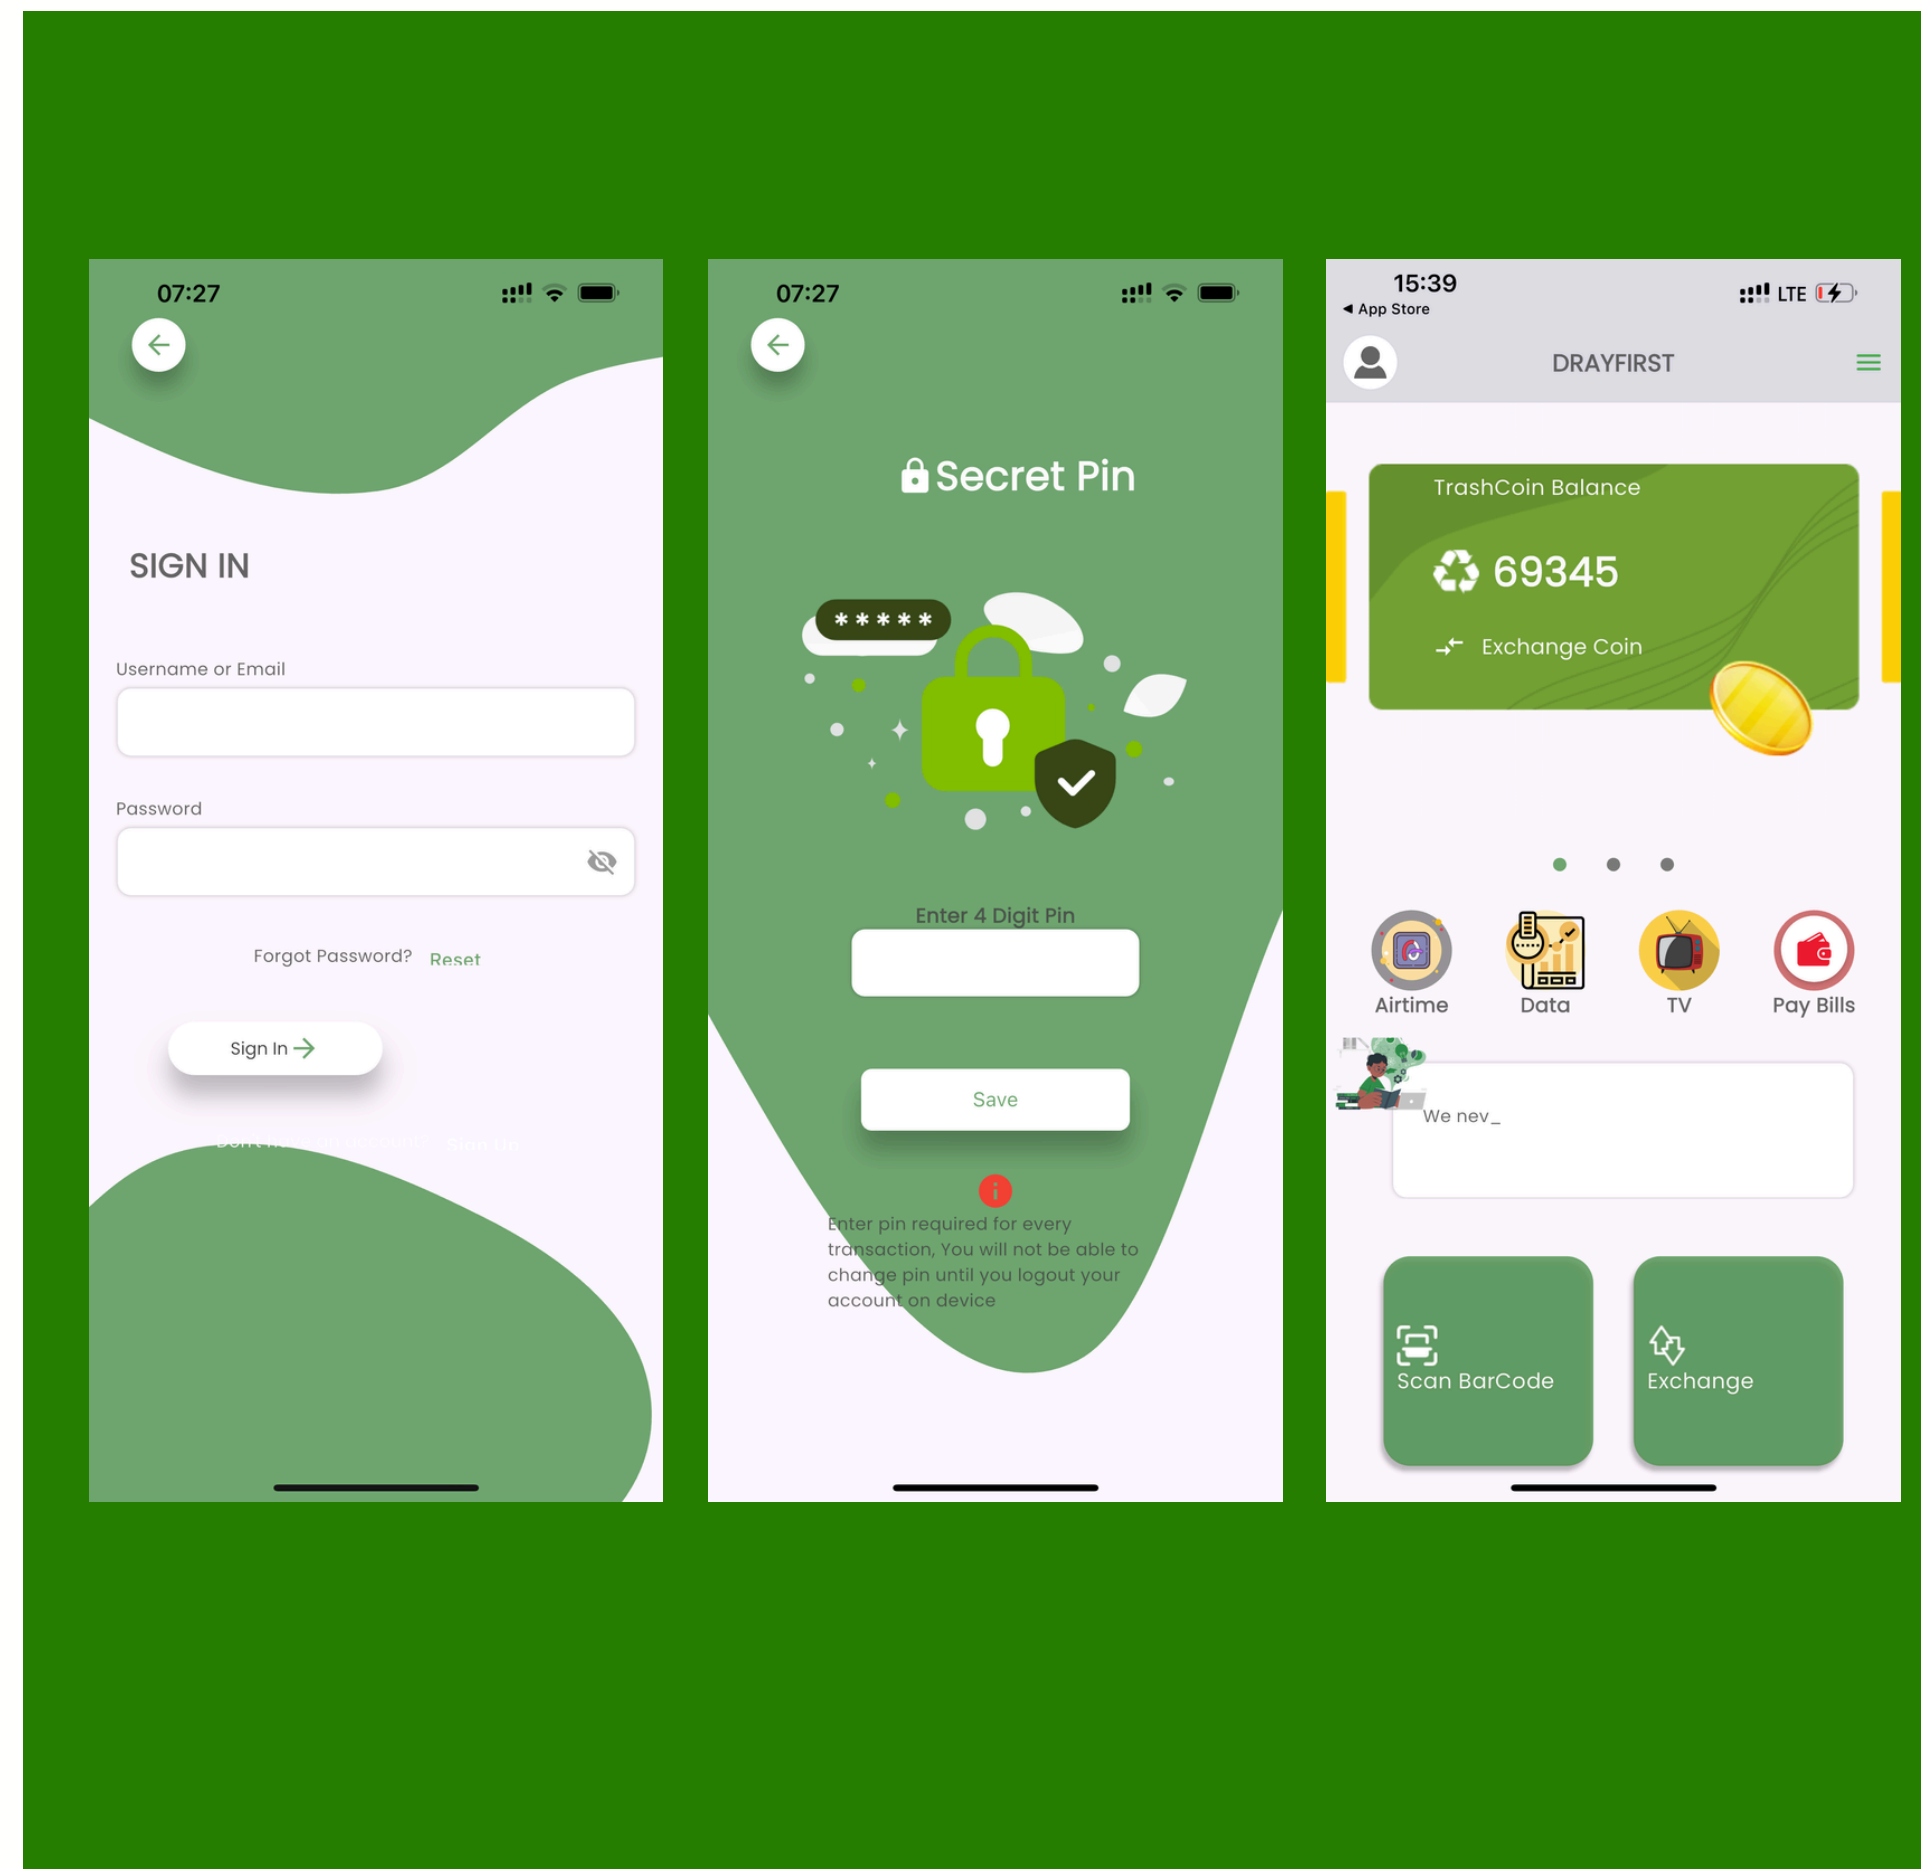

Check your email and enter the OTP to verify your account.

Complete your profile with the following details:

- Full Name
- Username
- Phone Number
- Password
- Location

Tap Register to complete your account setup.
